The Topsham Society Summer Outing 2017
to
Antony, Torpoint, Cornwall
Thursday 22nd June

This year we are visiting Antony, a National Trust property in Cornwall. It was built in the 18th century and is believed to be one of the finest surviving Queen Anne buildings in the West Country. The Carew-Pole family, who became caught up in the extraordinary events of the English Civil War, still live there.

It has fine collections of paintings, furniture and textiles and the large garden has views of the Lynher River. There is a formal garden, with topiary, a knot garden and sculptures; the garden was also the location for the film *Alice in Wonderland*.

There is a tea room which serves light lunches and afternoon teas but you can take a picnic, if you wish, to eat in the grounds.

We will stop on the way for coffee at the Endsleigh Garden Centre.

The cost for members of the National Trust is £11 and for non-members is £19.15.
